CREATING AND SUBMITTING YOUR AD

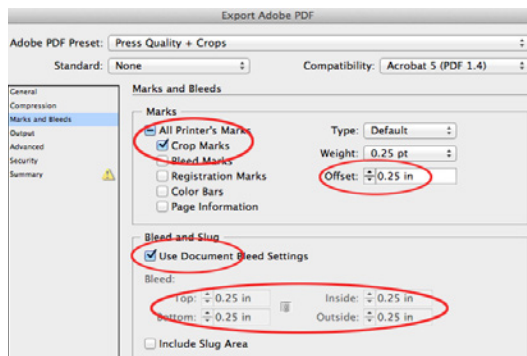

- The trim is the final cut page size. Place text and important images (headshots, products, etc.) .5" from trim edge (preferred), or a minimum of .375" (this is the live area.) Add .25" beyond trim for bleed ads (*background images should extend out into bleed area.*)
- **Please note:** always include a jpg proof of your ad for reference in addition to the high res pdf. This will ensure that we are able to check that the placed ad will print as intended.
